EDUCATION

Centennial College

Software Engineering Technology
Advanced Diploma
2023 - 2026

AlZaytoonah University

Bachelor of Accounting
2016 - 2019

TECHNICAL SKILLS

Frontend

React | JavaScript | HTML5 | CSS3 | SCSS | Vite

Backend

Node.js | Express | REST APIs

Database

PostgreSQL | Oracle SQL | MongoDB

Tools

GitHub | Vercel | VS Code | Postman

Hasan Abulaban

Full Stack Developer

FEATURED PROJECT

- Designed and developed a fully responsive personal portfolio to showcase software development projects and technical skills.
- Built reusable React components using a modular SCSS architecture to create a scalable and maintainable codebase.
- Implemented smooth animations and interactive user experiences using Framer Motion.
- Optimized the application for responsiveness, accessibility, SEO, and Open Graph metadata across desktop, tablet, and mobile devices.
- Deployed the application using GitHub and Vercel with a streamlined deployment workflow.

WORK EXPERIENCE

(2024 - 2026)

CONFIGURATION SERVICES ENGINEER

Lenovo (Ontario, Canada)

- Coordinated enterprise Device-as-a-Service (DaaS) deployment projects across multiple concurrent initiatives.
- Configured and deployed Windows devices using BIOS scripting, Windows Imaging, Microsoft Autopilot, and White Glove provisioning.
- Performed system testing, validation, and quality assurance to ensure deployment readiness and compliance with project requirements.
- Collaborated with cross-functional teams to deliver technology solutions and improve deployment processes.
- Created technical documentation, SOPs, deployment workflows, and project reports while supporting continuous process improvement.

(2021 - 2024)

TECHNICAL LEAD

goTRG (Ontario, Canada)

- Led technical operations supporting Lenovo's Custom Fulfillment Services (CFS) and Device-as-a-Service (DaaS) projects.
- Configured, deployed, tested, and troubleshooted enterprise hardware and software using Windows Imaging, Microsoft Autopilot, BIOS configuration, and White Glove provisioning.
- Planned project execution, coordinated technical resources, and ensured timely project delivery.
- Collaborated with cross-functional teams while mentoring technical staff and maintaining quality standards.

(2017 - 2020)

FINANCE & ADMINISTRATIVE ASSISTANT

UNICEF (Amman, Jordan)

- Supported financial and administrative operations by preparing reports, maintaining documentation, and processing program data.
- Coordinated meetings, workshops, and stakeholder communications while tracking action items and maintaining project records.
- Assisted with assessments, surveys, and data analysis to support child protection programs and organizational initiatives.
